"We are the World"

There comes a time,
When we head a certain call
When the world must come together as one
There are people dying
And it's time to lend a hand to life
The greatest gift of all
We can't go on
Pretending day by day
That someone, somehow will soon make a change
We are all a part of
God's great big family
And the truth, you know love is all we need
We are the world
We are the children
We are the ones who make a brighter day
So let's start giving
There's a choice we're making,
We're saving our own lives
It's true we'll make a better day
Just you and me
Send them your heart,
So they'll know that someone cares
